Proficient in MS Excel and Word. Knowledge in one more language apart from German and English is a big advantage (Spanish preferred).

Work Offered

During the internship, you support clients with their development and practical implementation of their climate strategy. You will be supported by highly qualified experts of the consulting- and green investment department. You will get a unique insight into the interface between entrepreneurial and public climate policy, innovative technologies and market-oriented climate protection. Your tasks:

- Develop the foundations of climate protection strategies of companies and the public sector
- Create impact studies and market analysis for climate protection technologies both nationally and internationally
- Assist in the development and marketing of Consulting- and Investment products

Preferred start asap. However, there is some flexibility in terms of the internship period and duration.

Im Rahmen dieser Praktikumsstelle unterstützen Sie unsere Kunden bei der Entwicklung und Umsetzung ihrer Klimaschutzstrategien. Dabei werden Sie durch hochkarätige Experten unserer Consulting- und Green Investments-Abteilungen betreut. Sie erhalten einen einzigartigen Einblick in den Schnittbereich zwischen unternehmerischer und öffentlicher Klimapolitik, innovativen Technologien und marktorientiertem Klimaschutz. Gleichzeitig entwickeln Sie Ihre konzeptionellen und praktischen Fähigkeiten fokussiert weiter und lernen unser vielfältiges Unternehmen in seinen Facetten kennen. Ihre Aufgaben:

- Erarbeitung von Grundlagen für Klimaschutzstrategien von Unternehmen und öffentlicher Hand
- Erstellen von Wirkungs- und Marktanalysen zu Klimaschutztechnologien im In- und Ausland
- Mitwirkung bei der Entwicklung und Vermarktung von Beratungs- und Investitionsprodukten
